

SaskAlert

SaskAlert is a public alerting program that provides critical information on emergencies in real time, so you can take action to protect yourself, your family and your property. An emergency alert issued through SaskAlert will let you know:

- What the emergency is
- Where it is happening
- Instructions for you to follow to stay safe, and
- Advise you when the incident is over

The RM and Town of LeRoy now have trained users to broadcast local emergency public alerts.

**If a Local Emergency is affecting the RM or Town of LeRoy
that requires Public Alerting call 306-286-1200
For all other emergencies call 911**

The LeRoy jurisdiction is looking for additional trained users. If you are interested in SaskAlert training please contact the RM office for more information.
